**Metron Integrated Health Systems  
Press Release**

**Date: June 2, 2016**

**Metron of Big Rapids Awarded National Quality Award**

**Metron of Big Rapids is one of 13 long term care and post-acute care providers in Michigan recognized with a 2016 Bronze Commitment to Quality Award by the American Health Care Association. Metron of Big Rapids joins Metron of Cedar Springs in earning this prestigious quality award. The Bronze Award is the first of three distinctions possible through the American Health Care Association.**

**"I am very proud of our staff. We are honored to be recognized for our hard work and commitment to quality" said Dawn Painter, Administrator.**

**Metron of Big Rapids is a local provider of rehab and long term care. Metron of Big Rapids boasts 31 large private rooms to assist the community members in receiving quality care close to home. For a personal tour or more information, please call Dawn Painter, Administrator at 231-796-2631.**

**Metron Integrated Health Systems is family owned, and has been serving West Michigan for 40 years in its six Health Campus and Rehabilitation Services facilities. Metron provides short-term sub-acute rehabilitation services and post-acute care to help patients resume healthy, happy and productive lifestyles. Metron's Therapy Team is led by a *Physiatrist*, a physician who is specialized in physical medicine and rehabilitation. Metron's Therapy Team is focused on maximizing each patient's independence & mobility to ensure individual goals are met. This enables patients to return to home as soon as possible. This is Metron's *Physiatrist Advantage*. Metron also offers a wide range of specialized nursing services, so you can be confident that you will receive the best 24-hour short and long term care. We provide professional expertise and a *caring touch* in addressing the clinically complex medical needs of our long-term residents.
