## **CIENA HEALTHCARE OPENS NEW SKILLED NURSING COMMUNITY IN CANTON**

***Multi-Million Dollar Investment “Regency at Canton” Features Short and Long-Term Care, Private Suites and the Creation of More Than 100 Jobs***

**SOUTHFIELD, Mich. – March 15, 2012** – Ciena Healthcare, a leading manager and operator of skilled nursing and rehabilitation communities in Michigan and Connecticut, has opened its newest skilled nursing community in Canton. “Regency at Canton,” located at 45900 Geddes Road near Canton Center Road, is a spacious, 113-bed facility offering short-term and long-term care with 35 private suites and 39 semi-private rooms.

Built at a cost of more than \$8.5 million, Regency at Canton features a living area designed to care for the needs of residents requiring a short-term rehabilitation stay and contains a separate living area designed to meet the needs of traditional, long-term care geriatric residents.

“We are honored to have the opportunity to provide high quality care in this new state-of-the-art facility in Canton,” said Mohammad Qazi, President, Ciena Healthcare. “Regency at Canton has a homelike environment with all the latest safety features plus an easy to navigate floor plan for both residents and staff.”

Services offered at Regency at Canton include physical therapy and occupational therapy. The community is expected to create more than 100 full time and part time jobs.

“We are very pleased to have Ciena’s Regency at Canton become a part of our community,” said Phil LaJoy, Township Supervisor, Canton Township. “Providing high quality care for both short- and long-term residents is a great asset to Canton, along with employment opportunities with a stable, Michigan-based company.”

The 59,000 sq. ft. facility also features a state-of-the-art rehabilitation gym, wireless Internet with Internet Café, library with fireplace, private dining room for family gatherings, individualized heating and cooling units with controls in each room, lounge and a spa.

“At Regency at Canton, we are offering private suites, fresh food preparation under the guidance of an executive chef and 24-hour dining options,” added Patty Sullivan, Administrator, Regency at Canton. “Our staff looks forward to providing unsurpassed care and delivering these amenities to our residents, whether it is a short-term or long-term stay.”

### **About Ciena Healthcare**

*The Ciena Healthcare organization is comprised of 32 skilled nursing communities located in Michigan and four communities located in Connecticut, managed by Regency Healthcare Management, LLC. Ciena communities are diverse and collectively serve all resident and patient nursing care needs from short-term rehabilitation stays to long-term residency. Founded in 1998, Ciena Healthcare communities offer a holistic approach to patient care and are fully committed to residents’ needs and well being while also promoting their independence. Ciena’s vision is to change the way nursing communities are operated and perceived by providing and developing communities that feature private rooms, ambiance, attention to detail and quality food preparations, all delivered by high quality, compassionate and dedicated professional support staff.
