Local skilled nursing center to host ribbon cutting for \$2.5 million renovation

Detroit, MI—Ambassador Nursing and Rehabilitation Centre will celebrate its \$2.5 million facility renovation for both its short-term rehabilitation unit and long-term care through a ribbon cutting ceremony and open house on Thursday, August 21, from 3 to 7 p.m. at 8045 East Jefferson Avenue, Detroit MI. The ribbon cutting ceremony will take place at 5 p.m. at the entrance of the facility and will include remarks from Mayor Mike Duggan.

The facility now boasts newly remodeled resident rooms, common areas, physical therapy room along with flat screen televisions, computers, furniture and more.

“In order to better accommodate both our long-term residents and short-term rehabilitation patients, we needed to update the space,” says Henry Conerway, Administrator of Ambassador Nursing and Rehabilitation Centre. “It’s about providing quality care to the community and investing in the city.”

Ambassador Nursing and Rehabilitation Centre is one of six facilities owned and operated by Olympia Group. Olympia Group is committed to providing premier short-term rehabilitation and sub-acute program that encompasses orthopedic, cardiac, pulmonary, wound and bariatric care personalized to meet the needs of each individual. We are dedicated to providing high quality comprehensive long-term skilled and intermediate nursing care. On the web at www.olympiagroupllc.com and www.ambassadorhcc.com
